**Total Hours 14.00**

The **2024 AMPAA Conference** is designed for pharmacists specializing in medication utilization within State Medicaid programs and is supported by the American Medicaid Pharmacy Administrators Association (AMPAA) and the Nebraska Pharmacy Association (NPA). NPA is accredited by the Accreditation Council for Pharmacy Education (ACPE) as a provider of continuing pharmacy education. Credit for courses must be earned by the participant. Participants will earn **14.00 contact hours** of continuing pharmacy education (CPE) credits for attendance of the entire symposium.

In order to earn CPE credits, the participant must complete an on-line educational evaluation form for each CPE session they attend within 15 days from the end of the symposium. The evaluation will collect birthdate (MMDD) and NABP e-Profile ID number (to receive CPE credits, the attendee must have an NABP e-Profile ID number). For more information about NABP e-Profile IDs, please see <http://www.nabp.net/programs/cpe-monitor/cpe-monitor-service/>). ACPE CPE numbers and speaker objectives can be found in the program schedule. **CPE credits will be sent to your NABP e-Profile within 45 days of the program date.** For questions about CPE credits, please email Lorilyn Joyce at [loraj.wmpaa@gmail.com](mailto:loraj.wmpaa@gmail.com).
